Hi Juniors & Parents! Golfers will be in constant motion as this is a hands-on learning camp. Wear cool, breathable clothing – preferably shorts, t-shirts are allowed and sunscreen is highly recommended. A towel and hat/visor will be helpful. Hydration is continuously encouraged and chilled, filtered water always available to replenish your water bottle. A (peanut-free) snack will be provided each day at 10:30am.

Safety Comes First! Swing Zones will be clearly marked and must be respected at all times for everyone's safety. All water hazards are strictly off limits. Golfers will be escorted to the restrooms. Carts can only be driven by licensed drivers. Please label all clubs, bags, hats and water bottles. Clubs can be securely stored at the Academy each day.
